EMS 2024: A Strong I4C presence at the European Meteorological Society Annual Conference

The I4C team came in full force at the European Meteorological Society's (EMS) annual conference. Hosted in the Historic Building of the University of Barcelona, the conference provided an ideal backdrop for discussions on resilient and just urban planning, key themes of I4C's research. Read the article to find out more!

UPCOMING EVENTS

The banner features a yellow background on the left with the I4C logo and event details. On the right, there is a photograph of a cityscape in Barcelona with a white outline of a church spire overlaid. The I4C logo consists of the letters 'I4C' in a stylized font with horizontal lines underneath, followed by the text 'Climate Adaptalab II'.
